MEMORANDUM FOR: SECRETARY CASPAR WEINBERGER  
DIRECTOR WILLIAM CASEY  
JUDGE WILLIAM CLARKFROM: GEORGE P. SHULTZ *GPS*

Francis Pym has raised with me the possibility of Lord Carrington replacing Joseph Luns. He assures me that if asked on the basis of widespread support, Lord Carrington would be glad to take the job. He also says that Cheysson (whether or not this means Mitterrand I don't know) supports Carrington. He has asked for my opinion. I said I would check around and let him know.

Please let me have your opinion.
